

Parent/Guardian Library Card Authorization

A library card is required in order to access the Internet and other online databases in the library. In accordance with the Children's Internet Protection Act, the library uses a filter to block access to web sites that feature sexuality, nudity, and adult content for all users. Adults who are 17 years of age or older may receive unfiltered Internet access upon request. Computers located in or near a library's Children's Area provide additional Internet filtering which also blocks access to email, chat, and potentially objectionable sites. Parents are cautioned that filters are imperfect tools, and Sno-Isle Libraries cannot guarantee that all sites will be blocked. Sno-Isle Libraries urges parents to supervise their minor children's Internet sessions, and to discuss appropriate use of the Internet with their children.

I assume financial responsibility for all materials checked out to me or my dependents from Sno-Isle Libraries. I agree to return all items by the due date and will pay full replacement cost for lost materials.

Applicant's printed name: _____

Applicant's signature: _____

Applicant's birthdate: _____

Parent/Guardian signature: _____
(Required if under age 18)

Printed Parent/Guardian name: _____
