PRESSURE WASHING SERVICES

ITB NO. 2021.05.12

May 19, 2021

1. QUESTIONS AND ANSWERS

Q: Is this ITB for a one-time service, or is this a multi-year contract?

A: This is a single-time service; not a multi-year contract.

Q: I have a list of each library you are looking to get pressure washed, but I would like to schedule a day and time to properly look at each library and get a better perspective.

A: To schedule site visits for scope of work, etc., please let Tom Kreinbring know what days and times you plan to go to each site and he will inform library staff. Per the ITB, the email address is TKreinbring@sno-isle.org. Here are the library locations with the days when staff are on site: [Find a Location | Sno-Isle Libraries \(bibliocommons.com\)](#)
