

Sample Project: UPC Electrical

This is a sample project with service address 7312 35th Ave NE, Marysville, WA 98271. Please fill out the "Electrical Work Order" PDF as part of this ITB request and use "Service Center Sample Project" as the "Bid #". The purpose of this sample project is to see vendor proposal pricing, both labor rates and mark ups, in action and to insure reasonableness in completing the work.

- 1. Location: SRV
- 2. Scope:
 - 2.1. Procure and install (4) continuous runs of Lithonia CSS LED lighting with each being 24' long in two locations. The runs of lighting will tie into the existing lighting's electrical in each location. As such, the runs will be controlled by the current overhead lighting's toggle switch.
 - 2.1.1. Spec sheet: See Lithonia CSS Attachment
 - 2.1.2. Location on site: Above two compact shelving locations
 - 2.2. Permits, where applicable
 - 2.3. Clean up
- 3. Additional info:
 - 3.1. Lithonia CSS Attachment
 - 3.2. Photos:
