

ADDENDUM 1
2022 ELECTRICAL UNIT PRICE CONTRACT BID NO.
2022.09.21
October 6, 2022

QUESTIONS AND ANSWERS

Q: Is this for inside wire work?

A: Yes. Work under our contract would include interior and exterior work.

Q: Are you requiring the technicians to be only Journeyman, or can they be higher level?

A: No. Journeyman and higher level are accepted.

Q: Do you require all licenses present with the proposal?

A: No. Send one with the bid and provide licenses for each job/project.

Q: Are you requiring wet ink signatures on documents?

A: No. Electronic signatures will suffice.

Q: With this being a contract, will only one Intent need to be filed? And the Affidavit submitted after the year, or maybe even when the contract expires, even though it may entail multiple small projects in different locations?

A: No. Prevailing wage rates must be updated annually, using the rates in effect at the beginning of each contract year, and intents and affidavits for prevailing wages paid must be submitted annually for all work completed during the previous 12 months (or until the cost of work has reached \$149,999.99 – whichever occurs first).
