

Addendum 2

TREE TRIMMING & REMOVAL SERVICES UNIT PRICE

CONTRACT | INVITATION TO BID NO. 2023.01.04

January 11, 2023

QUESTIONS AND ANSWERS

Q: What is the standard response time expected for emergencies?

A: Contractor to return the call within 15 minutes. Facilities Manager or designee will inform Contractor of the emergency and the emergency services needed.

Q: How is the Scope of Work determined?

A: Each tree removal situation is different. The assessment/decision could be based on:

- Sno-Isle Libraries' staff for safety/risk (e.g., leaning tree);
- Arborist to assess the health (e.g., diseased); and/or
- Contractor to advise (e.g., preventative)
