

Sample Project: UPC Tree Trimming & Removal

This is a sample project at our Marysville Library, MAR, with service address: 6120 Grove St. Marysville, WA 98270. Please fill out the "Tree Removal Work Order" PDF as part of this ITB request and use "Marysville Sample Project" as the "Bid #". The purpose of this sample project is to see vendor proposal pricing, both labor rates, admin fees and mark ups, in action and to insure reasonableness in completing the work.

1. Location: MAR
2. Scope:
 - 2.1. Cut down and stump grind (10) trees on the south side of the property, see attached photos.
 - 2.2. In your pricing of this sample project, please price to dispose of by letting fall into the gully behind.
 - 2.3. Provide an additional line item for cost to haul all away and dispose of properly.
 - 2.4. Permits, where applicable
 - 2.5. Any utility confirmations and costs associated, admin fees, etc. needed through 811
3. Additional info:
 - 3.1. General Location of the (10) trees:

- 3.2. Photos:

The above (4) are marked with grey spray paint and near each other.

The extreme left and right of this cluster of (6) trees are marked with grey spray paint. The (4) in the middle with bases covered by blackberry brambles yield the (10) in scope.
