When submitting your proposal, please reference which purchasing contract(s) you are accessing. The invited group of dealers are not restricted to contract pricing and may, if you choose, provide additional discounts. Please note that Sno-Isle Library System is NOT tax-exempt.

Contract will be awarded based on a holistic evaluation of the following criteria, weighted as follows:

- Quality & Accuracy - 20%
- Service & Installation - 20%
- Overall Cost - 60%

Total = 100%

No substitutions will be accepted except as follows:

If you are unable to procure items from Herman Miller (CH.01A and CH.01B), please price alternate listed in Appendix from 9 to 5 Seating:

- ALT.01

If you are unable to procure items from KI (CH.06 and SF.01) please proceed as follows:

- CH.06 - price alternate ALT.02 as listed in the Appendix.
- SF.01 - Propose an alternate that meets panel size, configuration and finish style/color; Alternate must have full-panel style in both full-glass as well as tackable fabric finish.
Section 12 50 00
Furnishings

Part 1: General

Related Documents
Drawings and general provisions of contract, including General and Supplementary Conditions, apply to work of this section.

Scope
The extent of furnishings and accessories are shown on the drawings, defined in this specification and listed with each item herein. Types of furnishings and accessories specified in the section include, but are not limited to, the following:
• Children's Furniture
• Collection Storage
• Computer Tables
• Desks
• Display
• Laptop Tables
• Lounge Seating
• Meeting Room Tables
• Meeting Room Chairs
• Ottomans
• Outdoor Furniture
• Pillows
• Shelving
• Study Seating
• Study Tables
• Storage
• Task Chairs

Submittals
Product Data:
Manufacturer's descriptive literature shall be submitted, indicating materials, finish, construction installation instructions, and verifying that products meet requirements specified. Manufacturer's recommendations for maintenance and cleaning shall be included. Transmit a copy of each instruction to the Interior Designer.

Samples:
Submit samples of any and all materials that have been specified. This includes, but is not limited to, fabric finish, wood finish (which will be used in the actual production), metal finish, polyurethane finish, solid surface finish, plastic laminate finish, linoleum finish. Samples will be reviewed for color, pattern, texture and finish only. Compliance with all other requirements is the exclusive responsibility of the Contractor. Submit to the Interior Designer for verification and approval prior to ordering.

Quality Assurance
Fire Hazard Classification:
Provide fabric that meets or exceeds the California Flammability Code, Bulletin #117, and conforms to other requirements established herein. For items which, when installed become fixed, provide drawings and details of connection requirements, anchor, etc. for all provisions not included in manufacturer’s standard data. Submit two (2) copies of manufacturer’s written guarantee of standard warranty for items specified.
Supplier: The manufacturer, subsidiary or licensed agent shall be approved to supply the products specified, and to honor any claims against the product presented in accordance with the warranty.
Installer:
The installer or agent shall be qualified to install the specified products by prior experience, demonstrated performance and acceptance of any requirement of the manufacturer or any subsidiary or licensed agent. The installer shall be responsible for an acceptable installation.

Delivery, Storage and Handling:
Under the base bid, the Contractor shall deliver at the job site and install in its designated location all furniture and accessory items specified herein.
by the date designated in the Invitation to Bid. Product shall be delivered to the project site in manufacturer’s original packaging.

All items shall be protected from damage during handling and deliver and during any storage that may be required by Contractor, prior to delivery.

Delivery shall be made to the job site during normal business hours, 8:00 a.m. to 4:00 p.m. CST, Monday through Friday. The Contractor shall provide adequate facilities and labor for unloading.

Inspect items upon delivery for damage. Minor damages may be repaired provided finished repairs are equal to quality of new work and acceptable to the Owner.

Install furnishings and accessories at the location indicated on the drawings in accordance with manufacturer’s instructions. Items shall be installed level, plumb and where indicated, secured. Replace all damaged units as directed by Interior Designer.

Provide protection for all installed units so they will be in perfect condition at the completion of the Project.

The Vendor shall keep the Project premises and surrounding area free from accumulation of waste materials and rubbish caused by operations under the Contract. At completion of the Work, the Vendor shall remove waste materials, rubbish, the Vendor’s tools, construction equipment, machinery, and surplus material from and about the Project. Consider blanket wrapping pieces to reduce waste and protecting building walls (including elevator walls) from damage during installation.

Part 2: Products
Products specified herein are identified in terms and are accompanied by project data describing materials, construction and finishes of the specified products. To indicate particular character, quality and design of a specified item, each is listed as per a selected manufacturer and model number.

Burden of proof that proposed substitutions shall be equal in quality function an aesthetic to the specified product is on the Bidder and requires prior approval of the Interior Designer. Refer to Invitation and Instructions for Quotation for Furniture, Furnishings and Equipment for proposed substitution instructions.

Part 3: Execution
Contractor or any subcontractors shall be responsible for inspection on project site and approval of installation conditions for this work. Installation shall comply with manufacturer’s specification, standards, and procedures. Clean finished installation of dirt and finger marks. Leave work area clean and free of debris.
