

# SUMMER READING LOG

Read with us this summer! Track your hours and get a prize.

## HOW DOES IT WORK?

1. For every 20 minutes you read, fill in a rock by the river. All reading is encouraged – any book, any language, and any format. Being read to by someone or listening to an audiobook counts!
2. When you've filled in all the rocks, visit your local library to get a free book and a sticker.
3. Visit [sno-isle.org](http://sno-isle.org) for more fun, including events and reading suggestions.

## Go paperless!

Track your reading with a phone or personal device at [sno-isle.beanstack.org](http://sno-isle.beanstack.org).
