

SNO-ISLE LIBRARIES

Expanded Library Access Agreement

Expanded Library Access (ELA) provides access to designated Sno-Isle Libraries locations outside of staffed operating hours. This agreement signifies that a customer understands and agrees to Expanded Library Access terms of acceptable use of the service and facility as outlined below.

All ELA customers must opt in to use the service. To use the service, you must:

- Be 18 years of age or older.
- Possess a registered library account with Sno-Isle Libraries. If you do not have a library card, library staff can create one for you.
- ELA services require registration during staffed hours at a library offering ELA to complete a brief orientation with library staff. You must present a photo ID and your library card (if you have one) during your visit so staff may verify your contact information.

By opting into ELA, you acknowledge and agree to the following terms of acceptable use:

- I will use my own library card and PIN to gain entry for me. Parents or caregivers may allow children under the age of 18 years to accompany them and agree to supervise their children while using ELA.
- I will be responsible for my own actions and behaviors and for any minors I bring in.
- I will not grant access to vendors or other persons trying to enter the facility.
- Staff who may be in the facility during ELA hours will not be able to provide customer assistance.
- Security cameras monitor the use of the facility for the safety and security of customers and property.
- I will utilize ELA only during the hours ELA is offered.
- A library phone may only be used to call 911 emergency services, if needed.
- All Sno-Isle Libraries policies are in effect during Expanded Library Access hours, including the Customer Use of Library Spaces and Internet Use policies. These can be found online at:

<https://www.sno-isle.org/policies-and-guidelines/>

Violations of the above may result in the loss of my Expanded Library Access privileges, loss of library privileges, fines and/or legal action.
