MILL CREEK LIBRARY TENANT IMPROVEMENTS | NO. 2024.03.22MCR

March 22, 2024

RFP CLARIFICATION

Q: Can you clarify if this project is using the GCCM delivery or is it a standard design bid build project?

GCCM is being tagged in some of the subject lines I've seen, but in looking through the documents, and your email, it appears to be a standard contract.

A: The Mill Creek Library Tenant Improvement project is a Design Bid Build project.
