**Q:** We're preparing our response for the Sno-Isle Libraries – FY26 E-Rate Cisco C9200 DNA Essentials renewal and are working with Cisco/Carahsoft to finalize renewal pricing. To proceed, Cisco is requesting confirmation of the end user's Cisco Smart Account along with one renewal identifier (such as a contract number or a switch serial number) to ensure the licenses are quoted correctly as renewals and properly co-termed.

**A:** The Library smart account ID is 325997. One serial number is: JAE23490VYM. There is no existing DNA contract, so no contract number is available.
